### Important Note:

- This time PPSC is going to conduct Educator's Test. Before this Educators Jobs were being announced under **NTS**. PPSC is 70% more tough than NTS. So, candidates must prepare themselves according to PPSC test syllabus.
- PPSC Test also includes negative marking of about **0.25**. Mean 0.25 marks will be deducted for each wrong answer.
- It is noticed that 50% candidates cannot attempt complete papers in a given time. So, candidates must practice again and again to attempt complete paper. As we all know "**Practice Makes a Man Perfect**". So, candidates must practice past papers, model papers and subject related MCQs on daily basis.
- Here is the best PPSC Past Paper and PPSC Model Papers book. This book is very necessary to clear PPSC Educators Test. It includes number of Practice and Model Test for those candidates who are serious to clear PPSC Test. After Practicing from this book an average candidates can easily get maximum marks in PPSC Educators Test.
- It is noticed that each year PPSC takes a number of MCQs from the Past Papers. These past papers are also given in this book. So, the candidates can easily read these Past Papers MCQs and Solved MCQs for better preparation.
